Sendriya Jeevan Pvt. Ltd.

About

Sendriya India works for the upliftment of Indian Farmers by giving access to new urban markets by Digitising farmer supply chains.

Covid-19 Project

Sendriya Jeevan is a registered start-up venture in Pune. We are pleased to offer delivery of fresh vegetables and fruits at your building society in Pune. During this global crisis and lock down phase it's important for us to stay healthy and right to the best food possible. Sendriya Jeevan team is here to support the residents of Pune with a safe and convenient way to get fresh produce. The farmers are ready with their produce and local markets are shut down. Hence the need for a direct delivery mechanism is the need of the hour. Sendriya Jeevan has the solution for you.

Sendria Jeevan is allocated 4 major regions of Pune to sell FNV in all societies with 200+ flats.

Sendriya Jeevan will supply freshly harvested and seasonal produce to your society in a contamination free manner. As an added health benefit you will get fresh produce at a price which benefits the farmers and helps eliminate farmer exploitation.
