Arun Nair

Technical Head - AI Canspirit.ai ,Artificial Intelligence,AI, DL, ML at Canspirit
Artificial Intelligence

19 years IT experience in Big Data Analytics, Data Visualization Data Warehouse, 24X7 DBA,
Cloud and application projects. 2 years onsite in USA, Middle East. Hands on technical
expertise architecture and provided solutions.

Ability to give technology vision, ramp-up and manage large teams. Ability to see
the "big picture". Worked for clients like Rocky Mountain,Navteq(Nokia), M &T
Bank, WeightWatchers, Hollywood Media, SHRM USA. Passionate about Analytic
vertical because I can drive emerging Big Data technology and align it with
business growth.
