

Neeraj Shah

Neeraj Shah is Owner @ Silver Bright | Mentor at IIT Bombay and AIC, NITI Aayog | TedX Speaker

Expertise in business strategy, business and product development processes, customer experience led product design and business models.

Neeraj is the Owner and Director at Silver Bright. Silver Bright manufactures high precision ERW Steel Tubes, catering to four industry verticals namely Automotive, Furniture, Food Processing and Healthcare.

Silver Bright was also awarded as the Top 3 most innovative companies in India by United Kingdom Trade and Investment body. Neeraj was presented this award by the British High Commissioner to India at the Queen's birthday celebrations.

Prior to joining Silver Bright, Neeraj was the Managing Director of a software technology firm based in United States and worked very closely with the fashion and lifestyle industry.

An ardent movie buff, Neeraj played a key role in promoting Hollywood motion picture "Paradise".

A TEDx speaker, Neeraj has served as a Founder Charter Member at The Indus Entrepreneurs (TiE). Currently he serves as a Mentor at IIT Bombay and also at Atal Incubation Centre a flagship mission by Niti Aayog, Government of India. He is also a Mentor on the Founder Institute Board and has chaired the strategy committee on the CII Young Indians board.
